  <h2>
    summary
  </h2>
  <p>
    I am user interface developer with an experience of
    3.5 years into the software development industry. I have a
    strong grip on tech stack like HTML, CSS, SASS pre-
    processor, Bootstrap, Responsive Web Designing. I have worked and
    coordinated with the team through some platforms like Git task
    versioning, developer tools etc.
  </p>
  <h2 class="profession-head">
    Professional Experience
  </h2>
  <p>
    <span class="head">cognizant Technology Solutions,
    Hyderabad</span>
    <span>
      I have worked with CTS for 2 years from 2012-2016
      in User interface development department on a project called
      meeting organizer.
    </span>
    <span class="head">Exzeo India Pvt Ltd</span>
    <span>I have worked with Exzeo for a span of 9 months
    into core user interface development and designing team for
    creating prototypes of the products.</span>
